

BACK TO SCHOOL NIGHT

Thursday, October 14, 2021
Performing Arts Center
6PM

Please join us for an **all grade level** Back to School Night for Parents. This event is an opportunity for parents to obtain information and ask questions about their student’s education. Opening remarks will start at 6PM in the Performing Arts Center. Please be on time. If you have questions for Guidance or Administration, please arrive early.

The schedule for the evening allows parents the opportunity to follow an abbreviated schedule of their student's classes. Unlike the regular 75 minute block, these classes will run for 10 minutes. Teachers will review curriculum and review tools for parents to monitor their student’s progress during the school year. Formal individual conferences can be scheduled with teachers in November. Take advantage of this opportunity to see the world your student inhabits every day and meet the people who teach them. It's one of the best ways to build that all-important home-school connection.
